## DJ Mix Friday Throwdown – Benny Blanco® – World Goth Day – May 22, 2020

By benny blanco® in [DJ Mix](#), [Live Stream](#), [Video](#) | [0 Comments](#)

Today is [World Goth Day](#), May 22nd. Mark it as a repeating annual calendar reminder. 2.5 hrs of Goths familiar and perhaps some fringe choice selections. Why is that the music so dark makes me so happy? Just does. I think one of things I love best about this style of music.. is the use of bass.
