Hard to find LP from 1985 by Party day 'Glasshouse' recorded in Castleford and issued on the bands own lable . This could be described as Goth pop or Darkwave, obscure but high quality and very favourably compared to more established bands of the era . Includes insert, vinyl looks pretty much unplayed, sleeve excellent.

I only list items of a condition and quality I would be pleased to receive myself, Please see feedback and bid with confidence. Payment can be made by cheque or Paypal. I pack well and minimise costs - refunds gladly offered if not fully happy. Please email any questions, Many thanks.
