Comments

- The Enos McLeod record starts to disintegrate on the turntable as it gets cued up, but Peel is still able to play it.
- Mentions that his first ever car was a 1958 Chevrolet Biscayne.
- Recent gigs in Sheffield and Colchester are mentioned.

Steve: "I drunkenly approached John Peel at his roadshow; to thank him for his support for Party Day, to tell him of the new single and lastly to ask about a possible session".

He told me that was ok, and to get back to him after the new single was out.

Sessions

- Hagar The Womb #1. Repeat of one and only session, first broadcast 20 February 1984.

Tracklisting

(tape cuts in)

- Red Lorry Yellow Lorry: Beating My Head (12" single - This Today) Red Rhino
