Party Day - Sorted!

This week on Junkyard, we are featuring an indie/goth/post-punk band formed in South Yorkshire in 1981 called Party Day. Recently they have had all of their recordings released as a double CD called Sorted!, with a vinyl version due to be released next month. John Peel was a big fan at the time and the band as well as releasing a number of singles, recorded and released two albums - Glasshouse and Simplicity. We'll be featuring songs from all of their releases, should be good, looking forward to it!
