We just couldn't leave you out, London! With a discussion panel in NYC and a party in Berlin, it was only fitting to have a DJ night in one of the meccas of goth music!

The Postpunk Project: [Some Wear Leather, Some Wear Lace](#) is a book about the 1980s postpunk and goth scene - the music, fashion and culture. Come out to the release party, buy a book and enjoy the oldschool music!
